3	17" (432 mm)

All Mansfield wall-mounted urinals are supplied with this exclusive one-piece steel hanger. Easily installed and adjusted, it contains 7 holes for solid mounting against wall. Anchoring screws must be used for correct installation. Standard plumbing practice recommends use of both mounting bracket and anchoring screws. NOTE: For secure installation, wall mounting hanger should be fastened to solid, support wall stud.

NOTE: Install this product according to the installation guide.
Fixture dimensions are nominal and conform to tolerances in ASME Standard A112.19.2
